nue skin medi microdermabrasion {medilifelife}

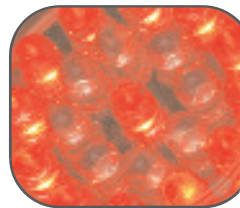

skin for life **world leading technology** gives you the tools to consistently achieve results on any skin. face + body
unique **precision engineering research** provides the **exact balance** between power + airflow + crystal
projection exclusive through skin for life. Test our **precise control + unmatched power**

the **nue skin medi** microdermabrasion unit uses clinical power levels to deliver **aggressive treatments** with
independently controlled crystals + suction knobs for **100% control**. Less aggressive treatments can also be
performed

flexibility + power + ease of use + high profit ratio

give yourself a point of difference and superior results by synergistically combining microdermabrasion with red/blue **LED**

treats	acne - lines + wrinkles acne scarring + blemishes photo-damage surgical scarring stretch marks enlarged + clogged pores back + chest acne uneven skin tone
power	powerful + quiet current generation piston motor powerful 48LPM total air flow
suction	powerful 27"Ha max powerful 91.5KPa max
